Pool Schedule
March 31 to May 12, 2018

Please check with your lifeguard to see if a lap lane will be available during swim lessons.

Deep Water Test
Swimmers under the age of 18 must complete and pass a deep water test to use the deep end of the pool. Once swimmers have successfully completed the test, they are required to get a GREEN wristband before entering the pool.

Lane Swimming
If there are 1 or 2 swimmers in a lane, they may split the lane in half. The entrance of a third person immediately changes the lane to "circle" swimming format.

Friday night
The pool will be used by the Housing authority some Friday nights. Check for availability.

Weekdays 1-4pm
If Schools are out the pool will be used by Daycare, please check to see if schools are out.
